

## Applications

Ideal all round interlocking mat for general applications including play areas, play rooms, pool surrounds and spas. Due to the open hole design Ergo mats can be used indoors and outdoors and can be rolled up and put away when not being used thanks to a built in interlocking mechanism.

## Benefits

- Can easily be rolled up for storage
- Ergonomic and Anti-fatigue qualities
- Anti-microbial additive to inhibit fungal growth
- Can be laid on any surface including carpet
- Can be laid in patterns for hop-scotch or other games if required
- Available with ramps and edges
